

Wine List

Settimo wine list wants to be a prodigal to our tasters,
a rediscovery of Italian and international grape varieties
in order to enhance our territory.

Our wine list joins Planet21 project on sustainability.

Giampaolo Fabiano

“A good wine is like a good movie:

Lasts a moment and leaves you in the mouth a taste of glory,

Is new in every sip and as with movies,

Born and reborn in each taster”

Federico Fellini
